

TFH Prophetic Ministry Prepare your Group

The team will arrive 15-20 minutes early to prepare for the ministry. If possible, please provide a private place for them to meet.

We would ask that everyone in the group come prepared to receive. We encourage extended prayer and fasting to prepare. We encourage fostering an atmosphere that is welcoming to the presence of the Holy Spirit.

During ministry, each person or couple will sit in the hot seat and the team will lay hands on their back or shoulder and will quietly pray for revelation of the Lord's heart. As the prophetic flows, each team member will speak out what is on their heart. When we are done, we will pray over the person(s) receiving ministry and move on to the next.

We recognize the gifting in others and encourage every believer to earnestly desire spiritual gifts, especially the prophetic. However, if someone in your group has a word during our ministry time, we ask that they hold it until after ministry is over and we have left. We honor the leadership of the group and any ministry within the group should be done within the group setting.

We would ask that during ministry, those not being ministered to would stay engaged and in prayer for the person(s) receiving ministry.

We encourage you to record your ministry time. It aids in recalling what was said and protects everyone involved from misinformation in the unlikely event that something inappropriate was said.

After ministry, we often ask for feedback. We encourage the group to give honest, constructive feedback related to the ministry time.

If you have animals, please ensure they are not disruptive.

Remember, we are here to serve you – to edify, build up, and encourage you in the faith. Our desire is that you leave the time with a greater revelation of the love of God for you.

Thank you for allowing us to be a part of your journey.
